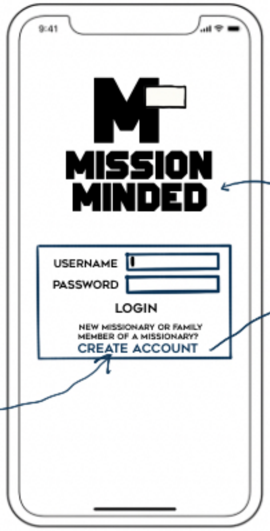
#1

this is our idea for an app design for Mission Minded. it displays the "M" as a missionary w/ a badge.

prioritize logging in

#2

create missionary account



MISSION MINDED

USERNAME

PASSWORD

LOGIN

NEW MISSIONARY OR FAMILY MEMBER OF A MISSIONARY?

CREATE ACCOUNT

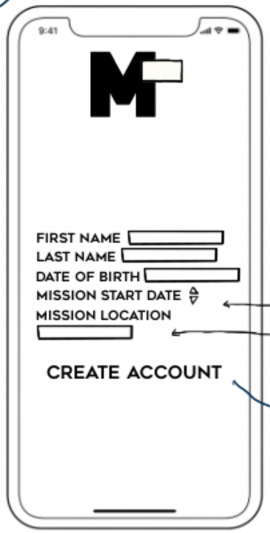
this page prompts the user to choose to create an account to store data

could replace this w/ logo or make it less blocky in the future

fill in new user info

#3

missionary fill-in info page



FIRST NAME

LAST NAME

DATE OF BIRTH

MISSION START DATE

MISSION LOCATION

CREATE ACCOUNT

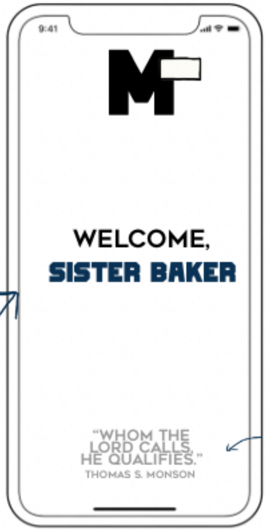
calendar picker

would be a picker too or user types and suggestions come up

takes user to loading page

#4

missionary is now logged in, moving to loading state page



WELCOME,

SISTER BAKER

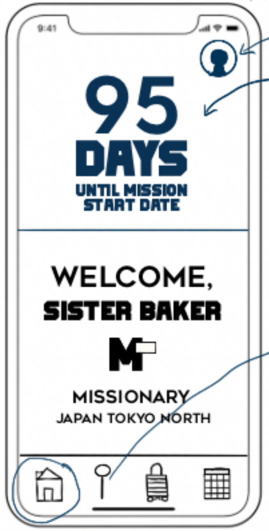
"WHOM THE LORD CALLS, HE QUALIFIES."

THOMAS S. MONSON

mission inspiration quote at bottom of loading page (Goodreads inspired)

#5

home page for user to view quick analytics + info



95

DAYS

UNTIL MISSION START DATE

WELCOME,

SISTER BAKER

MISSIONARY

JAPAN TOKYO NORTH

profile info button

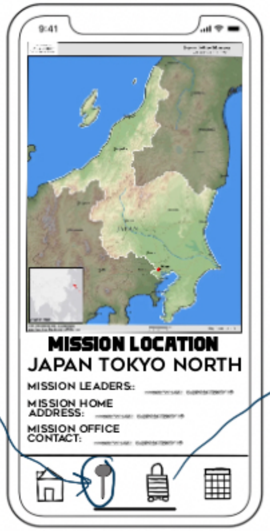
countdown shown

missionary quick info and profile

this page gives the user insight into their mission experience at a quick glance

#6

mission location viewing page



MISSION LOCATION

JAPAN TOKYO NORTH
